

Trainer's EDGE Training

The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. This course is intended to "train the trainer" on behaviors and resources while offering hands - on experience in methods and media. You will have the opportunity to be in front of the group. The group will offer feedback that will help you improve your skills as a trainer. Feedback is a gift. We want to make sure it is given in a positive, helpful way. This course is required to staff NYLT and Wood Badge but is a great course for anyone wanting to improve their presentation skills
