

Be prepared for your next road trip--take defensive driving and benefit the BSA!

The Boy Scouts of America and the National Safety Council have joined together to offer two great benefits for employees, volunteers, AND the organization: online defensive driving at the discounted rate of \$19.95--*that's less than half the original price*--with an added bonus of a \$4 donation to the BSA!

Take advantage of this great deal on MyScouting and on MyBSA by clicking Resources.*

Please pass this opportunity to all your friends and family--it's a chance to save money *and* give back to the Boy Scouts of America.
